7.1.5 Green Campus Initiates include

1) Restricted entry of automobiles:

The full fledged Transport department functions in college with 1 bus to provide transport facility to students and staff from various places.

2) Use of Bicycle/battery powered vehicles:

The Institution is providing bicycles for the attainers. Implementing innovative methods to reduce vehicle fuel usage.

3) Pedestrian Friendly Pathways:

The goal of these Pedestrian friendly roads is to preserve and enhance and to encourage walking as an attractive means of transportation as well as for leisure, recreation and health. Self Study Report of Vishwalata College.

4) Ban on use of Plastic:

Our college encourages students and staff not to use plastic bags. The security guard makes sure that no one enters the college campus with polythene bags. Students must be educated on the harmful effects of plastics. The management should conduct awareness programmes.

5) Green landscaping with trees and plants:

Environment consciousness is enshrined in the mission of the college and tree plantation is the major concern of the management to maintain the pristine purity and beauty of the college to provide a congenial

Response: atmosphere for the academic and non-academic pursuits. Felling of one tree for the construction of building to meet the growing academic requirements is replaced by planting a few trees on the campus. Green audit of the campus is carried out by the staff periodically by supervising the maintenance of the existing trees and locating places for planting new trees. Areas are assigned to NSS Volunteers and the departments for planting, watering, weeding and maintaining the plants, greens, herbs and trees.
