Many students seeking admissions come from the rural/tribal areas with low economic back ground. So financial assistance is extended to these deserving students. The noble objectives of the practice are to extend financial aid to the poor students, especially from the rural, to enable them to get admissions. To support financially to all the deserving poor students without any discrimination of caste or creed. To inculcate the values of 'generosity' and a 'sense of social responsibility' among the students. Near about 44 students get benefited this scheme.
