Report

Today, October 2, 2022 at 10:30 AM in our college Mahatma Gandhi's birth anniversary was celebrated with enthusiasm in the courtyard. On this occasion, College Principal Dyandev Kadam Sir, Vice Principal Santosh Dhole Sir, President of National Service Scheme Professor Bale Sir, Head Professor of Sanskrit Department Preeti Gujar Madam, Professor Pangavane Sir and other dignitaries were present. College Principal Dyandev Kadam Sir started the program by placing a wreath on the statue of Mahatma Gandhi. The program was presided over by the principal of the college, Dyandev Kadam. Speaking about Mahatma Gandhi, the Principal said that Mahatma Gandhi was born and brought up in a Hindu family in Gujarat and completed his legal studies at Eton Temple, London. He was called to the profession in June 1891 at the age of 22. After two uncertain years in India, he went to South Africa in 1893 on the left of an Indian merchant. He lived with his family in South Africa for 21 years and it was there that Gandhiji was first introduced to satyagraha based on the principles of non-cooperation and non-violence. In 1915 at the age of 45, he returned to India and soon decided to organize peasant workers and urban laborers to protest against unjust land and discrimination.

After assuming the leadership of Indian National Congress in 1921 AD, he started a nationwide movement for poverty alleviation, economic self-reliance, women's property rights, universalism, untouchability, and most importantly, self-rule. Occult expressed earlier. Also this time the program was moderated by Professor Pangavane Sir. The program was concluded by Prof. Preeti Gujar Madam with vote of thanks.

Report

Today, 31 October 2022, Patel Vallabhbhai Zaverbhai Patel was born into the Lewa Patel community, at his maternal uncle's house in Nadiad (Gujarat). His exact date of birth is not known, but he wrote his date of birth as 31 October at the time of matriculation examination.[1] He was the fourth son of father Zaverbhai and mother Ladba. Zaverbhai was a resident of Karamsad village of Kheda district. His elder siblings were Somabhai, Narasimhbhai and Vitthalbhai (Vithalbhai - later became a politician). He had a younger brother named Kashibhai and a younger sister named Dahiba. During his childhood, Vallabhbhai used to help his father in farming. [2] When he was 18 years old, he got married to 12/13 year old Zaverba from a nearby village. Vallabhbhai passed the matriculation examination relatively late, at the age of 22. [3] Vallabhbhai Patel passed the bar examination in two years after begging for books from others, living away from his family. He then started a householder's life with Zwerb at Godhra. Also enrolled in the Bar Council there. They had two children from Zwerb - Maniben in 1904 and Dahyabhai in 1906. Bubonic plague was spreading in Gujarat at that time. During this time, he moved his family to a safer place. [4] Vallabhbhai was also in charge of Karamsad's house while practicing law in Godhra, Borsad and Anand areas.

Sardar Vallabhbhai Patel's birth anniversary was celebrated enthusiastically in the college grounds. On this occasion, the principal of the college, present, saluted Sardar Vallabhbhai Patel's image by offering a wreath.

Vallabhbhai Patel contributed greatly to the country's freedom struggle and the political unification of India after independence. He was given the title of 'Sardar' by Indian women.

Vallabhbhai Patel was a lawyer by profession. While working as an advocate, he came under the influence of Mahatma Gandhi. He organized a satyagraha against British oppression by organizing the Kheduts of Kheda in Gujarat, Borsad in Anand district and Bardoli taluka in Surat district. After this satyagraha he started to be counted among the influential leaders of Gujarat. He was an important leader of the Indian National Congress. He also organized the party in the elections of 1934 and 1937. He was at the forefront of the Quit India movement.

## Report

Republic Day 2023 Why do we celebrate Republic Day to commemorate the Indian constitution on 26 January when the constitution was already complete by 26 November an year before. Here's the history of our Republic Day and why do we celebrate it Republic Day commemorates the adoption of the country's constitution in 1950 (PTI) Republic Day commemorates the adoption of the country's constitution in 1950 (PTI) India celebrates its Republic Day on January 26 each year. The 74th Republic Day will be observed this year on Thursday by the people of the nation, which will a be a lot similar but a lot different too. This will be the first Republic Day for President Draupadi Murmu who will unfurl the tricolor on the recently inaugurated Kartavaya Path, to kick off the festivities. Millions of Indians watch on television each year the rich tradition, cultural heritage, spectacle of the country's progress and accomplishments, and air shows by the Indian Army, Indian Navy, and Indian Air Force. The history of Republic Day On January 26, 1950, the Indian Constitution was formally adopted, and that event is commemorated on Republic Day. India was freed from the British Raj in 1947, but it wasn't until January 26, 1950, that the Indian Constitution took effect, making India a sovereign state and establishing it as a republic. The Constituent Assembly convened for the first time on 9 December, 1946, and met for the final time on 26 November, 1949, which is also observed as Constitution Day. Republic Day honors the spirit of India's independence. As the Indian National Congress proclaimed the end of colonial rule on 26 January in 1930, declaring Purna Swaraj in its convention on the banks of Ravi in Lahore, the Constitution was then formally adopted on 26 January 1950. Republic Day also honors the right of Indian citizens to elect a democratically-run government. To honour the creation of the Indian Constitution, the nation observes it as a

national holiday. Celebrations of Republic Day are marked throughout the nation with great fervor. The national flag is hoisted by the president, which is followed by magnificent military and cultural pageantry of tableaux from different states and government departments.

The President of India also bestows the Paramvir Chakra, Ashok Chakra, and Very Chakra upon gallant soldiers, and the Parma Awards are given to the nation's deserving civilians. Every year, millions of people watch the live broadcast of the Republic Day Parade.

## REPORT

Sri Sairaj Shikshan Pratishthan, Bhatgaon affiliated to Savitribai Phule Pune University, Vishwalata College of Arts, Commerce and Science

Maharashtra Day was celebrated with enthusiasm.

On this occasion the principal of the college Dr. Appasaheb Pawar was present as the president. Expressing his thoughts, he said that Maharashtra Day is being celebrated in the entire state today. May 1 is also celebrated as Maharashtra Day and Labor Day. Interestingly, today is also Gujarat Day. Both the states of Gujarat and Maharashtra were part of Bombay Province before independence and for some time after independence. At that time, the number of Marathi and Gujarati speakers was more in this Mumbai region. A separate state was being demanded by both the speakers. Hence, Gujarat and Maharashtra were declared as two separate states due to language-wise regionalization came On 1 May 1960, Maharashtra was united with Mumbai. Therefore, Maharashtra Day is celebrated on May 1. Many states were established by the then central government under the State Reorganization Act of 1956. Provinces were formed on the basis of language. The state of Karnataka was established for the Kannada speaking people. Andhra Pradesh was established for Telugu speakers and Kerala for Malayalam speakers. Tamil Nadu was created for Tamil speakers. But at that time no separate state was created for Marathi and Gujarati speakers. Gujarat and Maharashtra were a part of Mumbai province. Marathi speakers strongly protested for the creation of a united state of Maharashtra with Mumbai. Gujarati speakers also demanded a separate state.

Arsons, marches and agitations were going on. 105 people sacrificed their lives for the creation of United Maharashtra. A huge agitation was held for United Maharashtra at Flora Fountain. At that time the order to fire was given by Morarji Desai, the then Chief Minister of Mumbai state. Firing ensued and 105 protesters were martyred in the fight for Samyukta Maharashtra. Subsequently, on 1 May 1960, the Bombay Province was divided into two states, Maharashtra and Gujarat, by the Central

Government under the Bombay Reorganization Act, 1960. After the creation of two states, a dispute arose between Marathi and Gujarati speakers to claim Mumbai as their own. The agitation started on that too.

Most Marathi speakers live in Mumbai. Due to the criteria of language wise regionalisation, it has been decided that the area where Marathi speaking should be given to that state. Therefore, Marathi speakers insisted that Mumbai should be given to Maharashtra. Gujarati speakers demanded that Mumbai should be given to Gujarat, claiming that it was because of us that Mumbai was built. But due to strong opposition and aggressive agitation by the Marathi speakers, Mumbai finally got to Maharashtra. Union Maharashtra came into existence and Mumbai became the capital of Maharashtra.

Vice Principal Prof. Santosh Dhole, Prof. Raju Awankar, Prof. Ajit Khairnar, Prof. Amol More, Prof. Preeti Gujar, Prof. Bale Akshay was present. Prof. Akshay Pangavane

Thanked.

## Programme report

### Topic - Women Hygiene and Health care

On behalf of the Women's Grievance Redressal Cell at Vishwalata Art's commerce and science college. Dr. Riddhi Ramdas Avhad's guided lecture on the important topic of 'Women's Health' was conducted in vishwalata college. Students and women have some health problems while studying or in general, but due to proper guidance or what the society will say, there is no much talk about it and there is no denying the possibility of long term effect on their health. Dr. Avhad Madam made a concerted effort to give in-depth information on how we can get rid of various problems. Girls face health problems in their daily life but they do not express it due to fear or ignorance and as a result it does not take long for it to turn into a major illness. He also mentioned. "Everyone's lifestyle has changed a lot during the Corona Outbreak period and if you are in good health then everything will be fine, so adopting good habits has become a major issue today

We must do it. 85 girls and 6 female professors were present for this program. Special efforts were made by the Head of the Department Prof. Geeta Borade, Prof. Payal Pande and other female professors for the success of this program.
