PRESPECTIVE PLAN 2022-2023

1. Starting new courses: NEP is going to be implemented. The institute must have multiple faculties so as to implement NEP effectively. So new courses from different faculties like fine arts, law, technology etc. are proposed to start.
2. Forming clusters with nearby institutes so as to implement NEP effectively.
3. Providing additional infrastructural facilities for starting new courses.
4. For the growing institute more advanced laboratories are needed. So, all laboratories are proposed to be renovated.
5. A separate new computer lab for B.Sc. computer science is proposed.
6. A new College management software consisting of Android applications for all the stakeholders is going to be implemented in forthcoming year.
7. Institute is planning to arrange orientation programs for teaching faculty and non-teaching staff. Also, all teaching and non teaching staffs will be motivated to attend orientation of development programs arranged by UGC and University.
