Swine Flu Awareness Campaign

In today's stressful life, the lifestyle of a person has changed drastically. And due to all these, the human immune system is getting weaker day by day. Due to various conditions like wool, wind, rain, contagious or epidemic diseases, the incidence of various diseases has been on the rise. severity of these diseases varies from person to person. In the case of children and the elderly, the severity is higher. Today, mainly in Maharashtra and Nashik districts, the contagious disease 'swine flu' has spread to a large extent. Of this epidemic Fifteen young men and women of the Social Heartbeat Organization came together with the idea of Mr. Bhushan Laghve to create awareness among the people about the disease and made a small effort to get out of the debt of the society by running a campaign in Bhatgaon. Under this, he reached out to every family in the village and explained the complete information about 'Swine Flu'.

Will be. So go to the hospital immediately, In the same way, it is the responsibility of everyone to keep themselves and their surroundings clean. Because the suffering after falling ill is not limited to the sick but also affects others and through the organization from time to time we complete new ventures with the blessings of great people like you.

Report Of Tree Plantation

Ankai 3rd September 2017 Sunday.

Planting of two thousand seeds in the vicinity of Goraksanath fort is an innovative initiative of "Social Heartbeat Organization" ...

Considering rising global temperatures, pollution, cement forests and environmental degradation from human beings, a group of 25 people undertook a unique initiative. Also, the tree has various uses and benefits

Humans have escaped by slaughtering innumerable trees like Howarta, resulting in increasing pollution, global warming, rising levels of carbon dioxide, as well as a variety of diseases, but the solution is to plant trees and cultivate them.

Against this backdrop, the initiative of Clean Yeola-Green Yeola under the innovative concept of Mr. Bhushan Laghve and planting of 2,000 seedlings and conservation of existing seedlings was organized through a socially conscious organization called 'Social Heartbeat'. For this, a very thoughtful place was chosen at a distance of 12 km from Yeola.
