Student Placement

Various private sector entrepreneurs need a manpower with exactly the qualifications and expertise that they need to find a suitable platform and platform. Because of the short time, they choose the way in which labor assistance is available to them in less time.

After the commencement of college, a soft skill development program is organized under the guidance of various Motivational Speakers and Trainers in an effort to give the students a new perspective.

In view of this requirement, our college established a Training and Placement Cell under which students are provided with appropriate guidance as per their qualifications and experience, and guidance is provided to the students for the interview. For this, the organization has signed a contract with Destination Humane Consultant Company in Pune.
