Date : 26/12/2017 .

### Swine Flu Awareness Campaign

In today's stressful life, the lifestyle of a person has changed drastically. And due to all these, the human immune system is getting weaker day by day. Due to various conditions like wool, wind, rain, contagious or epidemic diseases, the incidence of various diseases has been on the rise. severity of these diseases varies from person to person. In the case of children and the elderly, the severity is higher. Today, mainly in Maharashtra and Nashik districts, the contagious disease 'swine flu' has spread to a large extent. Of this epidemic Fifteen young men and women of the Social Heartbeat Organization came together with the idea of Mr. Bhushan Laghve to create awareness among the people about the disease and made a small effort to get out of the debt of the society by running a campaign in Bhatgaon. Under this, he reached out to every family in the village and explained the complete information about 'Swine Flu'.

Will be. So go to the hospital immediately. In the same way, it is the responsibility of everyone to keep themselves and their surroundings clean. Because the suffering after falling ill is not limited to the sick but also affects others and through the organization from time to time we complete new ventures with the blessings of great people like you.

## WOMEN GRIEVANCE CELL REPORT

**Lecture topics:** Women-related legislation

**Thread Operations:** Diksha Garude (SYBsc.)

**Chief Guests:**

Prof. Ad. Mohan Javale

Prof. Ad. Shital talware

**President of the program:** Kadam DK (Principal)

**Guest:** Mr. Prashant V. Bhandare  
(Secretary, Shri Sairaj Education Foundation)

Mr. Bhushan K. Laghave  
(Trustee, Shri Sairaj education foundation)

Prof. Adv. Shital Talware, while detailing the background of women's law, got the first rights of women in the year 1937. The Maharashtra government amended Section 6 in 1994 to give women equal rights over their father's immovable property like men.

Today, there are new security laws for women. According to women, women have the right to complain

Similarly, women should live fearlessly while interacting with girls because Mohan Javale is a greater culprit than injustice.

### **Program 1:-Women Protection & Awareness**

This program was organized in 12 December 2018 on 10.00 am. The program was first started with Saraswati Puja. After that, the guests were felicitated by giving saplings without making a big fuss. After that, Hon'ble Nanasaheb Nagdare, while giving valuable advice to the college girls, said that if anyone is doing injustice to you, so the need of the hour is to be strong and resist injustice without enduring it. It is necessary to come forward. The law is always ready to protect you. If you find any kind of abuse, harassment, inappropriate behavior on you or around you, you need to stand up against it in time. Through the class teacher, through the principal, the complaint can be lodged with the women's grievance committee and through the police administration. In that fear but the one who bears injustice is more guilty than the one who does injustice. There is a big difference between real life in a movie or a series and it is very important to think about it and accept it. This was stated by Police Chief Nanasaheb Nagdare.

After that, Mr. Sandeep Patil interacted with the students and gave detailed information on important topics such as friendship on the internet, harassment by constant anonymous phone calls, obstruction in the middle of the road, obscene sarcasm by some naughty students, stalking to the house. He asserted that he would be given immediate and appropriate help through the Police Mitra app, as well as the prompt action of the police station. Also resolved the young woman's doubts through question and answer.

Women Safety app First Immediate Response FIR and ICE – Mumbai Police

I recently came across two APPS that look very promising in terms of WOMEN SAFETY, so thought of sharing the same with all of you.

Women safety has been a growing concern over the years and if technology can add any support to ease the pressure and help women get better or added safety, then why not....
